

# Funding in Turbulent Times

## THE INTERSECTION OF HIV, HEALTH, AND HUMAN RIGHTS

In January 2025, hundreds of philanthropic leaders and activists will rally in Washington, D.C., for Funders Concerned About AIDS' (FCAA) 2025 Global Philanthropy Summit. We're thrilled to have you join us – now please help us spread the word to bring more funders into the HIV fight.

**JAN. 27-28, 2025**  
Washington, D.C.  
Washington Plaza Hotel

### SHARING THE SUMMIT

#### 1. Follow FCAA on social media:

- @Funders Concerned About AIDS
- @Funders Concerned About AIDS
- @fcaaid
- @FCAA

#### 2. Download the graphics to share

#### 3. Use the sample post and email or make it your own

This is our time to unite against HIV and for the people most impacted by it. We encourage you to post at least once on social media between now and January 27, 2025, and tag FCAA and other partners in your network to amplify your reach. In addition, consider emailing colleagues directly whose work is relevant to the Summit.

#### 4. Share your Summit story

Want to go the extra mile? Lend your voice to the fight by recording and sharing a short video about why you're attending the Summit – and why other philanthropic leaders should join you.
